

# Precision/Impact-Resistant

## Impact-resistant

- Impact-Resistant design
- Durable rubber cover

## Sight Glass

- Easily view refrigerant movement and condition during charging and recovery

## Accurate

- Precision pressure gauge

## Wide Range of Application

- Suit for more than 40 refrigerants

## LCD Backlit Display

- Clearly display, easy to read

## Aluminum knob

- Anti corrosion

|                          |               |
|--------------------------|---------------|
| Model                    | VDG-1         |
| Operating temperature    | 10~90% RH     |
| Measuring range pressure | -14.5~725 psi |
| Net weight               | 1.2 kg        |
