

Supply Air Valve Metal S-DVS

Specifications

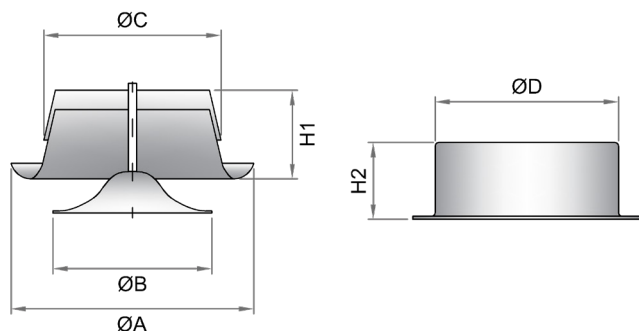

- Item code: S-DVS
- Good adjustment options
- Low noise level
- Quick and easy to install
- Airflow easy to measure
- Available sizes in mm: 80, 100, 125, 160, 200

Description

This metal ventilation valve is equipped with a mounting bush. The mounting bush makes this product suitable for mounting to, for example, flexible hoses. Also, this air supply valve is suitable for the supply of ventilation air. The valve is adjustable for the desired air quantity.

This type of supply valve is also available as an exhaust valve, both types are available in different sizes.
