

# Datasheet

**ruck**

Product type: **Replacement filter LFP**  
 Product ID: **160711**  
 Product name: **LFP 71 ISO ePM10 50%**

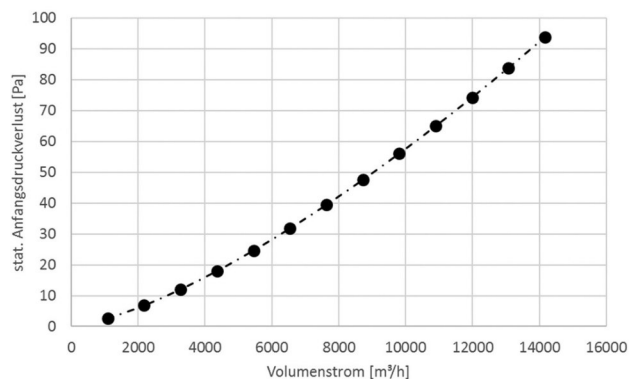

|                              |    |               |
|------------------------------|----|---------------|
| A                            | mm | 1092          |
| B                            | mm | 1092          |
| C                            | mm | 96            |
| Max. ambient temperature     | °C | 65            |
| Filtration class             |    | ISO ePM10 50% |
| Max. recommended volume flow |    | 14000         |
| Weight                       | kg | 10.1          |

- Panel-filter
- Plastic frame
- For filter box MPC

Use:

- FB 1200

Scope of supply:  
2 pcs. panel air filters
