

Datasheet

ruck

Product type: **Pressure sensor MAN**
 Product ID: 168753
 Product name: MAN01

A	mm	65
B	mm	65
C	mm	57.5
D	mm	59
Max. operating current	A	1.5
Maximum Voltage	V	250
System protection		IP54
Temperature range		-20°C... +85°C
Weight	kg	0.1

- Pressure sensor with adjustable cut-off pressure
- Variable switching limit
- Plastic housing
- Range of measurement 50-500 Pa
- Max. operating pressure 10 KPa
- Climaset (ID 168717) consisting of flexible tube, connection fitting and screw (available as an accessory)
