

Datasheet

Product type: **Motor shut-off flap**
 Product ID: 171363
 Product name: MAK F E 03/04 3P

A	mm	390
B	mm	1843
C	mm	110
Weight	kg	18.8

- Combined outdoor and exhaust air multileaf damper
- With actuator OPEN - CLOSED, AC 230V, 5Nm
- For direct mounting on the device
- Housing made of sheet steel, galvanized
- Flange P 20
- Airtight according to EN1751 class 2
- Avoids cold air drop in the duct network when the unit is not in operation
- Protects device components and heating/cooling coils from frost damage
- 2 duct connections 700 x 400mm
