Duct Grille Spiral Single Blades

FEATURES

- Vertically adjustable
- Supply and return air
- Galvanised steel
- Available sizes in mm: 225x75, 325x75, 425x75, 525x75, 625x75, 825x75, 425x125, 525x125, 625x125, 25x125, 1025x125, 825x225

DESCRIPTION

The ClimaConnect spiral duct grille for air supply and exhaust is a galvanized steel duct grille where the vertical blades are adjustable. The ClimaConnect duct grille has pre-drilled holes and has an approximately 70% open area, depending on the position of the vertical blades, also known as vanes. The grille is suitable for a wide range of applications, such as in the catering industry, retail and industrial environments.
